

ELECTRIC PUSH/PULL FORCE TESTER YHPC-CAW-40W

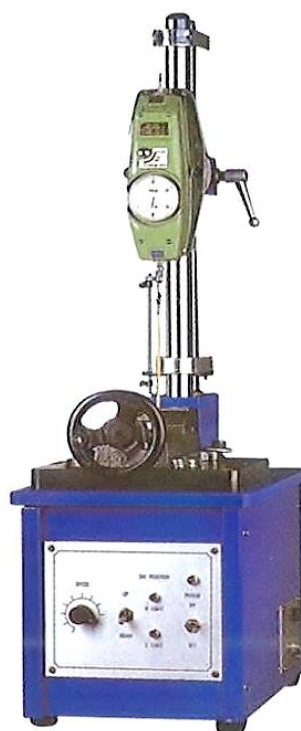

Features

- 1) This tester adopts the speed governing motor imported from Japan.
- 2) Noiselessness and easy operation to conduct speed governing with various wire sizes and terminal thus enhancing the accuracy for tension testing.

Standard Packing come with Analog Type, AIGOL Brand

Optional: Digital Type, DIGITECH Brand

Technical Data

Model	YHPC-CAW-40W
Capacity	100kgf Max.
Motor Power	40W
Push/Pull Force Gauge	Standard – Japanese made AIGOL brand, Analog Optional : Japanese made DIGITECH, Digital
Power Source	Single Phase AC 110/220V 50/60 Hz
Dimension/Mass	360L x 250W x 790H(mm) / 45 Kgs
Packing Info	590L x 470W x 1080H(cm) / 65 Kgs
Country Of Origin	Taiwan
